Patent Term Adjustment Determination
37 CFR 1.705

Sir,

Upon review of the Notice of Allowance and Fee(s) Due (PTOL-85) mailed February 9, 2010, applicant reviewed the USPTO's PTA calculation of 484 days. In compliance with the practitioner's duty of candor and good faith in practice before the Office, applicant wishes to disclose that the PTA of 484 days calculated by the USPTO may be longer than appropriate.

It appears that the USPTO did not account for the Applicant's delay in filing a response to the effective Abandonment date of 11/07/2008 as Applicant filed a Petition to Revive the Abandonment with a Reply after the Non-Final Rejection on 04/03/2009. .

Although the Applicant generally agrees with the Office's PTA calculation, Applicant respectfully requests that the Office review the PTA calculation for this application, and if necessary, adjust the term as appropriate.

Respectfully submitted,
